

UNIVERSITY OF BUEA

LABORATORY OF
ELECTRICAL
ENGINEERING
AND COMPUTING
UNIVERSITY OF BUEA

Our mission:

To develop research at the interfaces of different fields by drawing on a strong multidisciplinary and interdisciplinary approach, while maintaining excellence in the core disciplines.

Power Electronics and
Energy Management
Systems

Electromagnetic
characterization & non-
destructive evaluation

Electrical Energy
Harvesting, Conversion
and Storage

Sensors
&
Internet of Things (IoT)

Key partners:

AMBASSADE
DE FRANCE
AU CAMEROUN

SCAC | Cooperation and
Cultural Action Service

Partner institutions and laboratories:

LGEF

INSA

INSTITUT NATIONAL
DES SCIENCES
APPLIQUÉES
LYON
